Have you been reviewing the training provided on the Plum.Systems LMS?

No, what is that?

Have you kept up to date with all the lessons?

Have you found these lessons to be helpful?

Please elaborate why you did not find these lessons helpful? So that we can improve them

What training would you really like to have on the Plum.System LMS?

Would you like a permanent job with Plum Systems?

I am not sure

Please justify why we should give you a

permanent job with  
Plum Systems

Why are you not sure?  
Please explain

I recognize I need more training to grow in development, but I'm also very interested in exploring data analytics. I want to build my skills in both areas to expand my opportunities and find the right path for my career.

Are you prepared to  
commit to working for  
Plum for at least three  
years if given a  
permanent job?

No

Why not? Please justify  
your reason

I am open to a one-year commitment in this role, as I want to gain valuable experience while exploring the diverse opportunities that the IT field offers. With my qualifications, I'm eager to expand my skills and discover where I can make the greatest impact long-term.
