Your Skills

Task & Time
Management on
PlumBOS ERP

3

How do you feel about
this skill?

I still need to work on my task and time management. I'm not yet consistent in documenting the tasks I've completed, but I'm working

on improving that

Would you like to learn more?

Yes

GitLab

0

How do you feel about this skill?

I'm still building confidence with GitLab and often need to look up information online to complete certain tasks.

Would you like to learn more?

Yes

HTML

3

How do you feel about this skill?

I'm fairly comfortable with HTML but still need to refer to documentation for some advanced tags or structures.

Would you like to learn more?

Yes

CSS

3

How do you feel about this skill?

I can work with CSS, but I often need to look up styles and best practices when designing layouts.

Would you like to learn more?

Yes

PHP

0

How do you feel about this skill?

I have no experience with PHP and would need training to be able to work with it effectively.

Would you like to learn more?

Yes

Javascript

2

How do you feel about this skill?

I understand JavaScript fundamentals but need to look things up often, especially when working with more advanced concepts

Would you like to learn more?

Yes

Python

4

How do you feel about this skill?

I enjoy using Python and I'm confident with the basics

Would you like to learn more?

Yes

C++

0

How do you feel about this skill?

I have no experience with C++

Would you like to learn more?

Yes

Go (Golang)

0

How do you feel about this skill?

I have no experience with Go (Golang) at the moment, but I'm open to learning it

Would you like to learn more?

Yes

MySQL

3

How do you feel about this skill?

I have a basic understanding of SQL and can write simple queries, but I would like to strengthen my skills, especially with more advanced joins, subqueries, and database management.

Would you like to learn more?

Yes

Joomla

2

How do you feel about this skill?

I have basic knowledge of Joomla and can navigate and make simple updates. However, I'd like to learn more about advanced features and how to manage full websites effectively.

Would you like to learn more?

Yes

Helix (Joomla Template)
eg. All the
devstart.co.za websites

1

How do you feel about this skill?

I have a basic understanding of the Helix Joomla Template

Would you like to learn more?

Yes

JoomlaArt T3 (Joomla Template) eg API & Office Place

2

How do you feel about this skill?

I have basic knowledge of the JoomlaArt T3 template, mainly through working on sites like API and Office Place.

Would you like to learn more?

Yes

SPpagebuilder (Joomla Extension)

0

How do you feel about this skill?

I have basic knowledge of SP Page Builder, which I learned here at Plum. I'm comfortable creating and editing pages

Would you like to learn more?

2

How do you feel about this skill?

I have a basic understanding of Adobe Express

Would you like to learn more?

Yes

Which are you presently using at work?

I don't use either

Which do you prefer using?

Justify / Explain your choice

Have you been reviewing the training provided on the Plum.Systems LMS?

Yes, I check weekly for new lessons

Have you kept up to date with all the lessons?

Yes

Have you found these lessons to be helpful?

Yes

Please elaborate why you did not find these lessons helpful? So that we can improve them

What training would you really like to have on the Plum.System LMS?

I would appreciate training focused on real-world use cases of GitLab and PlumBOS ERP, as well as intermediate-to-advanced training for Java, JavaScript, and Python

Would you like a permanent job with Plum Systems?

Yes

Please justify why we should give you a permanent job with Plum Systems

I am passionate about learning and growing in the tech industry, and Plum Systems has provided me with a great environment to develop my skills. I have shown commitment to my work, continuously seek improvement, and take feedback seriously. I believe in the company's vision and want to contribute to its success. With the right guidance and continued opportunities, I know I can grow into a valuable long-term team member. I'm also willing to commit and take on more responsibility as I gain experience.

Why are you not sure?
Please explain

Are you prepared to commit to working for Plum for at least three years if given a permanent job?

Yes

Why not? Please justify
your reason

Why are you not up to
date with the lesson?

This area is for Administrative purposes only.

TeamLeads please use the "TeamLeadComments" field to make
comments about the intern.

eg. *"she is a hard worker that takes initiative and completes all her
tasks on time."*

Managers: these two fields are for Management only to complete:

"ProspectiveEmployee" field: Yes, No or Maybe

"SkillsTeam" field: Select which team or role would best fit this intern
if employed full time by Plum Systems.
